

## Inaugural function of Swaralaysa

Date : 17-Dec-2020

The programme was invoked by a mellifluous invocation song and by lighting the lamp of wisdom.

The programme began with a graceful invocation dance by Risav and team. The combination of different dance forms made it a visual treat.

It was followed by videos and presentation about Swaralaysa , which explained about the various clubs namely **music** club, **dance** club and **creative** club.

After that, the hall was filled by the mellifluous singing performance by Prabhanjan and Issac, and the combination of Western and classical made it mesmerizing.

The song was followed by an overwhelming solo dance performance by Risav banerjee on Rabindra Sangeet, which left the audience speechless. Then it was the movement of the main event that's badging the volunteers who were elected among the first years. That event had Principal Sir felicitating the volunteers with their badges.

Finally the programme was given an energetic conclusion by Risav and team by their power packed dance performance.

The whole event was a memorable one which included precise and fantabulous performances which filled the air with a sense of enthusiasm especially after the long hard break given by the pandemic in Indian Academy Degree College.
