

INDIAN ACADEMY

get ready for life

Right knowledge,
Right skills,
Right foundation...

PRE-UNIVERSITY COLLEGE | DEGREE COLLEGE | CENTRE FOR RESEARCH & POST - GRADUATE STUDIES |
SCHOOL OF MANAGEMENT STUDIES | SCHOOL OF NURSING | COLLEGE OF NURSING | EVENING COLLEGE

Our vision is to establish educational institutions that would offer a dominant, career oriented and comprehensive education combined with humanistic, scientific and social learning.

Our mission is to provide cutting edge career oriented academic programs in a supportive and stimulating environment for the intellectual and ethical growth of a diverse student community, with an unwavering commitment to excellence in education, sensitivity to students and the spirit of community.

To prepare graduates who manifest critical, creative and effective communication skills along with informed value judgements and a strong educational foundation in mastering tomorrow's challenges, by partnering with business, government and the community.

Welcome to Indian Academy Group of Institutions

It gives me immense pleasure in presenting our profile. Education is essential to the economic, social, environmental and political well-being of an individual, the community and the Nation. All individuals should be treated with dignity and respect, given opportunities to develop their special aptitudes, insights and equal opportunities to equip themselves for a fulfilling life and responsible citizenship.

We are committed to offer high quality education at an affordable cost in a broad range of disciplines at the Pre-University, Undergraduate and Postgraduate levels. Our highly qualified, devoted and inspiring faculty, rigorous academic program, state of the art facilities and vibrant atmosphere provide the perfect place for you to continue your education with us. I am proud of our Board of Trustees, Governing Council and Board of Advisors who have the vision to strive towards providing a student oriented environment. ISO 9001-2008 certification by TUV Rheinland and accreditation by National Assessment Accreditation Council, (NAAC) with 'A' Grade testify our commitment to quality and longing passion to continuous growth and development. This makes us the most sought-after centre of higher education.

Do feel free to visit our colleges to know the way we function and experience the academic ambience on the campus. Avail the opportunities offered by us and share any thoughts or questions by e-mailing me at somasekhar@iadcollege.com

Love to hear from you.

Dr. Somasekhar Thummala, Ph.D.,
Chairman
Indian Academy Group of Institutions

With us you would

- ◆ Find a friendly, dynamic and intense learning atmosphere
- ◆ Make new friends from across India and the world
- ◆ Understand and appreciate cultural and intellectual pluralism
- ◆ Develop curiosity in multiple disciplines and appreciate the interdisciplinary approach
- ◆ Acquire proficiency in oral and written communication
- ◆ Strengthen academic, technical and research competency
- ◆ Think critically and creatively
- ◆ Harbor good human values
- ◆ Develop the ability to learn throughout your life
- ◆ Get ready for life

About Us

The Indian Academy Education Trust is founded with a strong desire to establish top-notch educational institutions in India. A clear vision, a lifelong passion, incessant dreams, combined with meticulous planning and systematic execution under the dynamic leadership of a teacher & educationist Dr. Somasekhar Thummala resulted in the establishment of many educational institutions over the last one and a half decade. Listed below are the Indian Academy Group of Institutions.

- ◆ Indian Academy School of Management Studies
- ◆ Indian Academy Degree College
- ◆ Indian Academy Pre - University College
- ◆ Indian Academy Centre for Research and Postgraduate Studies
- ◆ Indian Academy College of Nursing
- ◆ Indian Academy School of Nursing
- ◆ Sri Aurobindo Centre for Education in Human Values
- ◆ Indian Academy Evening College
- ◆ Indian Academy Centre for Professional Excellence

The Indian Academy Group of Institutions is marching towards the pinnacle of success by remarkable achievements and laurels in diverse fields of education. Within a short span of time the institutions have earned name and fame for their outstanding performance in education. This has been the result of our continuous efforts to improve the standards of education. The Indian Academy Education Trust is committed to establish many more institutions in the near future including College of Law, College of Engineering and College of Medical and Allied Sciences.

Courses

INDIAN ACADEMY DEGREE COLLEGE

Recognised by Govt of Karnataka, Permanently Affiliated to Bangalore University
Six Semester Bachelor Degree Courses

- B.B.M.** Bachelor of Business Management
- B.Com.** Bachelor of Commerce
- B.C.A.** Bachelor of Computer Applications
- B.S.** Bachelor of Science (4 year-8 semester course)
- B.Sc.** Biotechnology, Biochemistry, Genetics
- B.Sc.** Biotechnology, Chemistry, Zoology
- B.Sc.** Biotechnology, Chemistry, Botany
- B.Sc.** Genetics, Microbiology, Biochemistry
- B.Sc.** Microbiology, Chemistry, Zoology
- B.Sc.** Biochemistry, Microbiology, Botany
- B.Sc.** Computer Science, Mathematics, Electronics
- B.Sc.** Computer Science, Mathematics, Physics
- B.Sc.** Computer Science, Mathematics, Statistics
- B.Sc.** Electronics, Mathematics, Physics
- B.Sc.** Fashion and Apparel Design
- B.A.** Journalism, Optional English, Psychology
- B.A.** Journalism, Optional English, Political Science
- B.A.** Tourism, History, Journalism

INDIAN ACADEMY PU COLLEGE

Approved by Pre-University Board, Govt. Karnataka, India
Graded and placed in 'A'. Category by PU Board

SCIENCE STREAM

- PCMB:** Physics, Chemistry, Mathematics, Biology
- PCMC:** Physics, Chemistry, Mathematics, Computer Science
- PCME:** Physics, Chemistry, Mathematics, Electronics
- PCBH:** Physics, Chemistry, Biology, Home Science

Our Quality Policy

We are committed to provide quality education and training to meet or exceed the expectations of our students. Performance of the Quality Management System will be assessed and upgraded continuously based on the feedback of students, teachers, parents and other stakeholders.

NAAC

The National Assessment and Accreditation Council (NAAC) is an autonomous body established by the University Grants Commission (UGC) to assess and accredit institutions of higher learning in the country. NAAC promotes the following core values among the higher educational institutions of India:

- ◆ Contributing to National Development
- ◆ Fostering Global Competencies among Students
- ◆ Inculcating a Value System in Students
- ◆ Promoting the Use of Technology
- ◆ Quest for Excellence

It's a matter of great pride for us as our Indian Academy Degree College, Centre for Research & Post Graduate Studies and School of Management studies have been assessed and accredited by NAAC with 'A' Grade with a CGPA of 3.09 on a scale of 4.0. This accreditation by NAAC is a fitting testimony to our quest for excellence.

NAAC grading is based on the following important aspects: Curricular aspects; Teaching - Learning and Evaluation; Research, Consultancy & Extension; Infrastructure and

Learning Resources; Student support & Progression; Governance and Leadership; Innovative Practices.

NAAC assessment and grading is important to all the stakeholders in higher education as enlisted here:

Students: Assists students in selecting institutions, ensures transfer between accredited institutions, ensures admission at the graduate level and assists in employment

Institutions: NAAC accreditation enables bench marking through access to institutional information & data, enhances institutional planning, determines membership in certain organizations, facilitate transfer schemes, assures a qualified student body

Industry: NAAC accreditation assures appropriately qualified employees, assists in the selection of institutes to partner in research Funding Agencies & NGOs: NAAC accreditation determines eligible institutions for funding

Government: NAAC accreditation helps Government to define its higher education country wide, it assures quality higher education for its citizenry, it assures quality labor force for its industry. It also determines which institutions and programs are to receive public funding and provides a means of consumer protection

ISO 9001-2008

Our emphasis on quality is duly assessed by an internationally reputed TUV Rheinland and found us to be in accordance with ISO standards. TUV Rheinland has certified us as an ISO 9001-2008 certified organisation

Anti Ragging Policy

Ragging is a social menace and is strictly prohibited in the Indian Academy Group of Institutions, its hostels, playgrounds and college premises. The top management of the Indian Academy Group of Institutions in association with the 'Anti-Ragging Committee' consisting of members representing college Governing Council, teachers, non-teaching staff and students takes many initiatives to prevent ragging.

The offence of ragging is not only punishable under Section 116 of the Karnataka Education Act, 1983, but also under various provisions envisaged in several sections of Indian Penal Code, 1860. Students involved in such obnoxious practices will be liable in addition to prosecution before the criminal courts, for rustication, dismissal and expulsion from the college.

Our Faculty

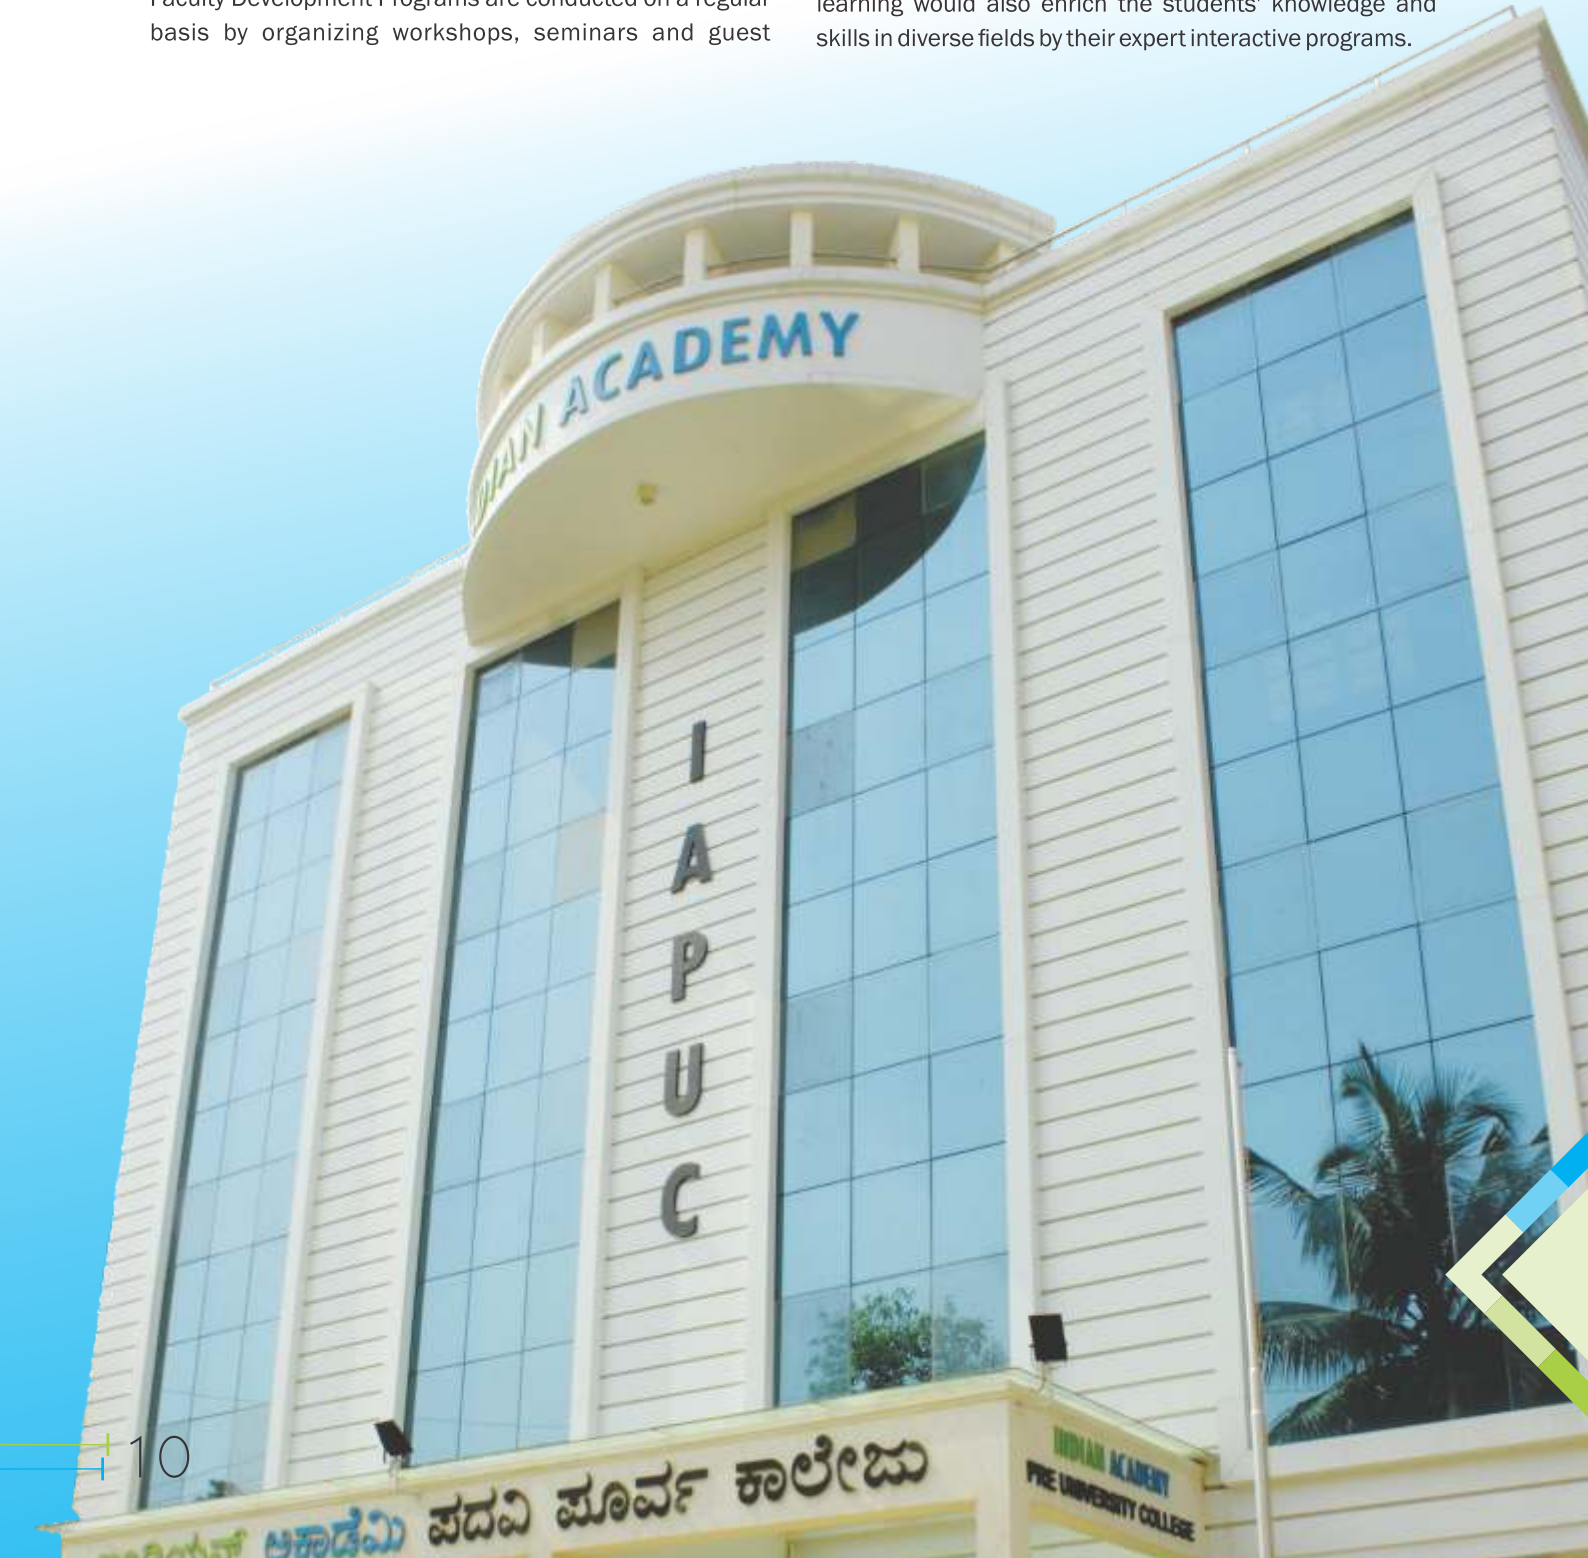

We have over 140 best teaching faculty at Lecturer, Senior Lecturer, Associate Professor, and Professor levels in over 25 departments. Our recruitment and selection policy is to attract the talent, compensate adequately and retain the best. The faculty members are greatly powered by:

- Outstanding teaching, research and industry experience
- Passion for teaching and mentoring
- Enthusiasm to upgrade academic credentials through intellectual participative programs
- Zeal to undertake interdisciplinary research skills to integrate research with teaching
- ICT savvy
- Innovative teaching - learning methods

Faculty Development Programs are conducted on a regular basis by organizing workshops, seminars and guest

lectures by experts from industry and academia. The faculty members are encouraged to participate in workshops and seminars and present their work. Travel grants and other forms of financial assistance are also extended to the faculty members to help them update their knowledge and skills by their participation in FDPs organized by other institutions. The faculty members are encouraged to undertake research projects by providing seed grants. Publication grants are also sanctioned to incentivize the faculty members to publish their research papers.

Students receive personal attention from the experienced faculty who make learning simple and experiential. Visiting faculty drawn from industry and other institutes of higher learning would also enrich the students' knowledge and skills in diverse fields by their expert interactive programs.

INDIAN ACADEMY
College of Nursing

Our Resources

Laboratories, Seminar Halls and Lecture Halls

We are located in three premises on Hennur Main Road, Bangalore. Our laboratories, lecture halls and seminar halls are spacious and well lit with good ventilation. All lecture halls have functionally designed modern furniture. Educational aids like slide projectors, overhead projectors, computers, televisions, LCDs, VCRs, CD players, Smart boards etc. are judiciously interfaced to make learning simple and easy. We extensively use ICT to communicate with our stakeholders. These technologies help to process and update on real time with greater precision and to generate various customized reports like individual students attendance, academic progress report, students feedback, faculty performance evaluation, etc.

We provide a full array of scientific and professional laboratories to our students and faculty so that they can have access to the latest technologies. Our computer science lab is equipped with computers having the latest hardware configuration. All the systems are in a networked environment whose hardware and software are continuously upgraded in tune with our requirements and changes in computing technology.

Our other department laboratories covering Biotechnology, Microbiology, Chemistry, Biochemistry, Genetics, Zoology, Physics, Electronics, Psychology subjects are well designed and adequately equipped. The laboratories are designed and equipped for students and faculty to engage in interdisciplinary research projects. Students have ample opportunities to use laboratory facilities both for structured practical sessions as well as for special workshops with hands-on training. Laboratory batches are small and individual attention is the rule, not exception.

Library

Our main library located in the new campus is spread over 2nd and 3rd floors with state of the art furniture. The library has an elegant array of Indian and foreign books, journals, magazines, encyclopedias, dictionaries etc. All the operations of library are computerized. Each floor of the library has adequate number of computers with broadband internet browsing facilities. In addition, photocopying facility is also available within the library. Through collaborations, associations and memberships inter library loan facilities are also arranged. At present these facilities are available with British Council Library and Bangalore University library.

In addition to the main library, there are independent libraries for our PU College and College of Nursing. Indian Academy PU College library has a vast collection of books and journals meant for PU level students and teachers. The College of Nursing library has a good collection of text books, reference books, and magazines besides national and international journals in the field of nursing and health sciences.

RGUHS - Helinet

Indian Academy College of Nursing is a member of Health Science Library and Information Network (HELINET) conceived by the Rajiv Gandhi University of Health Sciences, Bangalore.

A consortium was started with a vision to improve the quality of education and research in the health science institutions of the State of Karnataka through enhanced access to high quality medical information. HELINET's goal is to deliver information to user's desk-top, with round-the-clock access.

Through HELINET we can access and share the contents in more than 600 journals in medical, dental, pharmacy, physiotherapy, nursing and paramedical subjects. RGUHS-HELINET uses the following gateways for accessing information: Science Direct, Ovid, MD Consult, Annual Reviews, Springer, Thieme Verlag, Taylor & Francis, Blackwell, Bentham, ebrary and Oxford University Press.

Extra Curricular Activities

Sports

The Department of Physical Education, with two well qualified and experienced Directors of Physical Education, offers training and coaching to students and employees in various games and sports. The department has both indoor and outdoor games and sports facilities to cater to the varied needs of students and employees. Apart from regular training and coaching activities, intra and inter-collegiate competitions are conducted regularly. Selected students are further coached and trained for inter university competitions. Many of our students are selected to play for Pre-University Board, Bangalore University and Rajiv Gandhi University of Health Sciences. We also host inter-collegiate and inter-university meets. Annual Sports Day is celebrated as a special event, with the participation of celebrities of various sports and games as guests of honour.

National Social Service – NSS

We have two National Social Service (NSS) units, one attached with Bangalore University and the other attached with the Pre-University Board. All our community projects are executed by our NSS units. Some of the projects undertaken by our students include:

- Blood donation camps
- Afforestation programs
- Anti-terrorism programs
- Health & Hygiene awareness camps
- Environmental issues
- HIV/AIDS awareness, Polio eradication programs
- Awareness programs on traffic safety and drunk driving

National Cadet Corps - NCC

The NCC wing has been functioning in IAGI. The main aims of NCC are:

1. To develop character, comradeship, discipline, leadership, secular outlook, spirit of adventure and ideals of selfless service amongst the youth of the country.
2. To create a human resource of organized, trained and motivated youth to provide leadership in all walks of life and be always available for the service of the nation.
3. To provide a suitable environment to motivate the youth to take up a career in the armed forces.

Co- Curricular Activities

Conventions, Symposiums, Seminars & Invited Lectures

Conventions, symposiums, seminars and invited lectures are conducted regularly. We also host annual conventions and symposiums of other academic bodies. Indian Academy School of Management Studies organizes one national symposium and at least one regional workshop/seminar every year. As a matter of routine, every department in IAGI conducts one programme or the other every year. Academicians, scientists, administrators, technocrats, civil servants, poets, social workers, etc are invited as resource persons on different occasions during a year. Heads of departments take lead in organising invited lectures and seminars in their respective disciplines by bringing scientists, scholars and industry leaders. These activities promote extended learning opportunities to students and faculty. These initiatives also trigger healthy exchanges and collaborations between learning community of IAGI and experts from various walks of life.

Confluence

This is an annual event of our Centre for Research and Postgraduate studies. Scientists from premier research institutions, reputed universities and industry are invited to share their research interests in this conference. Post graduate students of life sciences and chemistry of different colleges of Bangalore University are the target audience in Confluence. This forum also provides opportunities for students to present their talent through various activities.

Spectrum

This is our annual cultural fest. Students from different institutions of Indian Academy compete in various on stage and off stage activities conducted by individual departments. Competitions include quiz, creative writing, debate, extempore, product launch and cultural competitions in dance, drama and music. Winners are rewarded with merit certificates and trophies.

Quest

This is an inter-collegiate fest and one of the popular students' activities in the calendar of Indian Academy Degree College. It is an ideal platform for under graduate students of various colleges of Bangalore University to showcase and refine their talents in various events. Every year thousands of students participate and compete in plethora of events from multiple disciplines. Achievers are recognized with citations and medals.

Other Events of Significance

- YUVATARANG (Inter-collegiate Cultural Fest)
- International Students Fest
- Annual Day
- Graduation Day
- Independence Day
- Republic Day
- Mahatma Gandhi Jayanthi
- Kannada Rajyotsava
- Teachers Day

Student Support

Placement Division

Indian Academy Group of Institutions Placement Division (IAGI-PD) is established for training, development and placement of undergraduate, postgraduate students of IAGI. The primary objectives of IAGI-PD are to:

- Provide suitable placements for UG & PG students
- Organize training and skill development programs to students
- Provide placements for Summer Internship Programs and allied training activities
- Arrange job fairs and other on-campus recruitment drives
- Liaise with recruiters and employers
- Guide students in off-campus placements

Both undergraduate and postgraduate students are encouraged to take up short term research projects and/or Internships in reputed research institutions, universities, public/private companies and business establishments.

Internships are short term duration and students rotate in various key departments of an organization. This will facilitate students to experience real time working atmosphere. Preparation of Internship Report helps students to collect, compile, analyze and present data as useful information. This experience helps students to present their work with greater confidence and conviction.

Internships are mandatory for some students (for example, BBM, BCA, MBA) but in general every student irrespective of their stream of education is encouraged to take up research projects and/or internships.

Major recruiters

Student Support

International Students Cell

We are the preferred choice of many foreign students. We have students from Sri Lanka, Bhutan, Nepal, Thailand, South Korea, Ivory Coast, Uganda, Rwanda, Nigeria, Tanzania, Saudi Arabia, Sudan, Iran, Algeria, Oman etc. Our International Students Cell assists foreign students with documentation work in admission, VISA formalities, registration with residential permits at India, in housing arrangements, renewal of VISA, etc.

Student Mentor Program

Under this programme, a group of students are assigned to a dedicated faculty for the entire academic year for guiding and mentoring. The concerned faculty member takes up the responsibilities to assist students in achieving goals through periodical personal interactions and counseling.

Student Support

Financial Aid

Indian Academy Educational Trust also offers merit scholarships and social welfare scholarships to the deserving students.

Merit Scholarships

The merit scholarship programme is an endeavour to boost the morale of meritorious students who have brought glory to themselves and the institute. The scholarship inspires the toppers to pursue their dream and strive for further excellence in their chosen field.

A student who is the topper in the test to be conducted by the IAGI in the first year of his/her course shall be awarded the merit scholarship for that year of the course; the topper in the university/Board examinations of the first year of his/her course (both semesters put together in the case of semester system) shall be awarded merit scholarship in the second year of the course and the topper in the university examinations of the second year of his/her course (both semesters put together in case of semester system) shall be awarded merit scholarship in the third year of the course.

Social Welfare Scholarships

The Indian Academy stands not just for academic excellence; it also creates a platform to students from economically weaker sections of the society to better their life through quality education without much worry of their finances. Social Welfare Scholarships shall be awarded to the students belonging to lower income group families. The students while studying in their first semester of courses in the IAGI are eligible for this scholarship. If a student in his/her first semester/year of his/her course is selected as per the guidelines framed by the IAET, then he/she shall be paid the scholarship amount every semester/year till the completion of the course.

Students are also extended partial or full tuition fee waiver facility based on their merit/socio-economic status.

Citations and Prizes

Students with achievements in academics and extracurricular activities are recognized as best outgoing students with citations as well as cash prizes.

Transportation

In addition to everyday commuting facility to the day scholars and staff, an in-house transportation facility is provided for various needs of our students and staff like the field trips, hospital visits for clinical rotations, organizational visits, intercollegiate sports and other competitions.

Home away from home

Separate hostels for boys and girls are established. These hostels are located within walking distance from the main college campus. Some of the prominent features of the hostels are:

- Clean and well managed
- Round the clock security
- Safe and caring Home environment
- Resident wardens
- Shared accommodation
- Full fledged kitchen and dining hall
- Breakfast, lunch, evening tea/coffee with dinner
- Vegetarian and Non vegetarian choices
- Well trained and caring staff
- General illness – out patient treatment assistance
- Assistance in hospitalization during medical emergencies

Canteen:

The roof top cafeteria in the main campus serves a wide range of mouth watering beverages, snacks and meal options at subsidized rates.

Extended Learning Avenues

Language Laboratory

A state of the art language laboratory equipped with computers and driven by sophisticated software for different languages is a place for those who desire to improve their language skills.

The program for English language called WORDS WORTH is being used in our language laboratory. It is a unique language program that enables the participant to communicate in English with clarity and confidence. It offers the best, in terms of continuous evaluation, content, teaching expertise, and methodology. The methodology is a blend of instructor lead training with a computer based learning, practice and evaluation. It gives the learner the best grounding in the finer nuance of the language. The focus areas are: speech sounds, pronunciation, Indianism, listening, grammar, speech fluency, vocabulary and idea formation. Using this great infrastructure facility, programs for other Indian and foreign languages are also contemplated to be in place soon.

Commerce & Business Management Laboratory

A separate laboratory equipped with information and communication technology hardware and software is established for the benefit of commerce and management students. Students use this laboratory to get additional training in select areas along with exposure to financial software, database management and networking.

Workshops

Short term training programs on selected core areas which are not emphasized in the prescribed curriculum are offered to students of various disciplines. These workshops are designed to enrich students' knowledge and skills and augment their employability. A few examples of such workshops are:

- Short term training in laboratory techniques (ex. DNA finger printing,) fermentation technology, plant and animal cell cultures, immunological techniques, karyotyping in humans etc) are offered for life science students.
- Workshops on end user computer applications are conducted for staff and students.
- Career avenues and skill development for students of commerce and management
- Production technique in film making for students of journalism
- Personality development & employment empowerment training for all students
- New trends and developments in management, logistics and supply chain management, customer relationship management for MBA students

Certificate Courses & Short-term Diplomas

Several certificate courses are offered either by individual departments or by outsourcing to external professional trainers.

The certificate programmes may cover:

Bioinformatics
Dot net
Intellectual Property Rights (IPR)
Business Entrepreneurship
SAP

The external tie-up programmes include the following:

Diploma in Business Entrepreneurship from EDI
Business Communication Certificate - University of Cambridge
MS Word and Excel Certification Programme- CADD Centre
Personality Development Programme- People Soft Training Centre

Industrial Tours/Exhibitions/Fairs

As extension of class room learning, industrial tours, exhibitions, fairs, etc are organized on regular basis. They would throw open ample opportunities to the students to relate the theory with the practice.

Student Clubs

Each subject has got a club and students use this forum to develop social interactions in addition to updating of their general knowledge and skills through student seminars, recreational activities and group discussions.

Unique Features

Indian Academy Centre for Professional Excellence

The Centre for Professional Excellence (CPE) is established to promote Excellence, Relevance and Professionalism in academic curriculum and delivery.

CPE promotes networking and collaboration with Industry to help in design and delivery of customized programs to students so as to enable them stay on cutting edge of knowledge, skills & technological developments and thereby help them build great careers.

CPE also provides consultancy services to the corporates in strategic management and other areas of management to gain competitive advantage. CPE also participates in their employee-development programs both in design and delivery. Thus, CPE shall:

- Offer a range of customized corporate education/skill development programs, both short-term (one day to a few months) and medium term (six months to one year) through tie-ups with the industry
- Offer value added/career oriented/finishing school programs to all sections of the student community at affordable cost
- Provide opportunities to students to do professional courses like CA, ICWAI, CS, etc in parallel with their regular courses like B Com, BA, B Sc, M Com, etc.
- Prepare students for successful careers by offering coaching to crack the competitive exams for Bank Probationary Officers, NDA, Combined Defense Services, Civil Services, GATE, NET, etc.

Sri Aurobindo Centre for Education in Human Values

India's common cultural heritage has been identified in the National Policy on Education as one of the core areas. It includes the history of India's freedom movement, the constitutional obligations and other contents essential to nurture national identity.

In recognition of Sri Aurobindo's much acclaimed contribution to our understanding of human brain and its potential in relation to spiritual/ civilization growth, the centre named after Sri Aurobindo will envisage to fulfil these objectives of the approved national policy on education through an organized structure and specific objectives to teach such contents of cultural education which find synergy with the stated policy. Besides it attempts to identify the resource persons and generate suitable content and disseminate the same widely throughout the country using modern means of communication.

Indian Academy Alumni Association (IAAA)

Indian Academy Group of Institutions has produced educationists, scientists, writers, managers, entrepreneurs, politicians, teachers, etc who collectively have varied knowledge and experience. The IAAA brings all these people on a single platform and develop synergistic plans to support IAGI in all its endeavors.

The IAAA works to strengthen ties between IAGI and alumni, and encourages the alumni to participate in various activities including cultural and social activities to be undertaken by IAGI. IAAA is also a focal point of contact among alumni to interact and network with each other. It maintains communication with IAGI on all matters of mutual interest.

Unique Features

Women's Council

Women's Council is formed to serve to the specific needs of female students and staff. Women's Council organizes expert lectures on various issues of women. It also conducts health awareness programs for the benefit of women in the society. The women's council promotes gender sensitivity and gender equality issues and acts as nodal centre for prevention of sexual harassment.

Corporate Social Responsibility (CSR)

Indian Academy Education Trust has also realized its role in the societal development and accordingly it is increasingly responsive to some of the social issues. It uses its clout to

address some of the social and environmental issues. As a major step in that direction, the Indian Academy Education Trust has adopted a government model primary school in Madiwala-Chokkandahalli near Malur, about 60 kms from our campus. The Indian Academy Education Trust has donated liberally and got the facilities like compound wall with main gate to safe guard the premises, water facilities, and toilets for boys and girls. The poor and deserving students are given books and uniform every year on the occasion of Founder's Day of Indian Academy Group of Institutions.

The IAGI also conducts health awareness programs, blood donation camps, etc. on different occasions.

Admission Procedure

Application forms and brochures can be obtained either in person from the admissions unit at the college office or downloaded from our websites or the same can be mailed to the prospective students upon receiving a formal request note. To apply for a course listed in this brochure, please complete the enclosed application form and submit it to the admissions unit, Indian Academy Group of Institutions along with the photocopies of required documents.

- Applicants eligibility for the course applied would be checked.
- Short-listed candidates are informed about their selection.
- Prospective students are advised to meet the Principal and the selection committee of respective colleges for a personal interview.
- The final selection is done based on the marks secured in the qualifying examination, entrance test scores (for selected courses) and performance in the personal interview.
- Candidates who are selected for admission would be asked to submit original transcripts, transfer certificate and other relevant documents and pay the required course fees and hostel fees.
- Foreign students receive bonafide provisional admission certificates and expenditure certificates and other relevant Documentation needed for obtaining student VISA from Indian Consulate offices at their respective countries.
- Following this students are informed about the course commencement date.
- Upon fulfilling the admission formalities students are provided with college identification card and permitted to attend classes.
